## SENIOR CITIZENS INTENSIVE MEDITATION JUNE 6, 1982

*(Carla channeling)*

[I am Hatonn,] and I greet you, my friends, in the love and the light of the one infinite Creator. We have observed your group with some humor as we attempted to speak through each of you, for each was unwilling to be an instrument due to the concern that the channeling would not be enough advanced for an advanced group. My friends, do not take yourselves too seriously. A carpenter may learn to drive a nail with ten blows, then six, then three, and then two, but he is still making a floor. When you were beginners, my friends, you were making a floor, a foundation of communication between the messengers that surround your planet and those upon the surface of your planet who have a desire at this time to seek beyond the illusion that this planet's culture offers. When you had gained some experience, you continued building that floor, and now you seek to become better carpenters. But, my friends, you are still attempting the same task. The message will forever be that which is designed by the Creator, to be made available to those within your density for the purpose of encouraging their seeking.

In order to improve the ability to drive the nail, we shall begin a story through this instrument and rather than finish it through one instrument, we shall several times change our instrument, and through several, tell one story.

My friends, there was once a great kingdom beneath the sea. Beneath the green waters and the sand lay golden doors. And some beings there were who under enchantment could enter that majestic world. In this world, my friends, there was no aging. There was no work. There was no ugliness or lack of any kind. All were beautiful. Each meal was a banquet, the only drawback being that the entities of this enchanted land could eat nothing.

We shall now transfer this contact. I am Hatonn.

*(C channeling)*

All was laid for the people. That which others could taste, select from, was denied. People found that though all was theirs, save this one thing, could not find contentment or peace for they could not have this one pleasure. Those who had lived within the kingdom for some time tried to ignore this thing. They went about their lives with one part missing. But for some, that which they did not know became ever heavier on their minds.

We now transfer.

*(L channeling)*

The people reacted to their difficulty in many ways. Some chose to respond in anger, choosing at first to blame one another for their deprivation. Others chose to feel within themselves antagonism toward the deprivation itself, and sought to destroy all that was associated with the untouchable, the

unattainable. Others elected to attempt to forget that which they seemed unable to control. It became an accepted practice as time passed among these people, to ignore that which lay before their eyes, to pretend that it never had existed, and to belittle any reference on the subject as mythical, as childish fairy tale, as something absurdly illogical. "For if it were true," they said, "would we not all see it?"

We shall now transfer our contact.

*(Jim channeling)*

Years passed. Generations grew to maturity, died, and left to their children many stories of the forbidden and mythical prohibition. Entities soon came to feel a great confusion concerning this almost forgotten tale of the great banquet set before their ancestors which could not be had. And then there arose from time to time among these people a few entities who spoke of having some knowledge of this food. Their speakings were largely ignored. Some, however, felt a type of kinship for what was spoken, perhaps because they had retained childish ways, said many. Yet, did some knowledge continue to grow, and word spread on occasion that there was indeed such a banquet, and indeed were means known to some for partaking in its plenty.

We will now transfer.

*(Don channeling)*

After much persuasion, one of these who knew of the means of partaking of the banquet was able to bring others to the appointed place where such a banquet was said to have been many, many years past. To the great surprise of all present, magically a banquet appeared. One reached eagerly for the delicious food, but as he touched it, it vanished. One who said he knew the means for taking of this reached out and picked a piece of fruit from the table, held it in his hand, and gave it to the one that so eagerly reached for the vanished fruit. Amazed, he ate it.

I will now transfer this contact.

*(Carla channeling)*

This entity, tasting the delicious fruit, took the example of the first and offered food to another, and that third offered it to a fourth, and so on until each at the table, in feeding each other instead of themselves, was satisfied. For no food had ever been so delicious, so luscious, and so delectable.

My friends, those who seek dive in deep waters, and very quickly a golden door is opened unto them. All about the seeker who is in meditation there is glamour, there is nothing but beauty. In meditation, the seeker can look, can explore, can walk the universe, and every activity is wonderful. But, my friends, as the seeker does this, he has not yet found the fruits of his seeking.

I will now transfer this contact.

*(C channeling)*

Each who finds himself beginning to reach the table soon finds that as an entity, they are not alone. As each gets closer, we find that to truly reach forward, they need to share that which has been found. Each does so in their own manner. Each who has received will find the giving is indeed more fulfilling.

We will now transfer.

*(L channeling)*

My friends, each of you by now is aware of the fact that your own craving for spiritual sustenance cannot be satisfied by yourself alone. Each of you has chosen a path upon which your own sustenance is derived from the sustaining of others, that your own growth occurs as a result of the efforts of others. Consider for a moment, my friends, that structure which you call a pyramid. It is composed of a number of massive, powerful, unyielding blocks of stone, each of which to the observer is quite impressive, but each of which, my friends, is but form without function when standing alone. For it is only when each stands upon the shoulders of his other selves that the form is produced through which their purpose may be accomplished, through which their service may be performed. My friends, be aware that your sustenance comes to you as a result of your efforts to assist and sustain your brothers as they grow and change. Each of you must perform his or her tasks without the expectation of receiving the fruits thereof, for the fruits of service belong to another, and the fruits of their service, my brothers, will belong to you.

We will now transfer our contact.

*(Jim channeling)*

Your journey as seekers is indeed one which must be pursued in solitude within the deepest portions of your being, and as you travel this path you shall find that there is a greater responsibility which shall be

necessary for you to assume in the sharing of the fruits which you find on that inward journey. The seeker cannot be aided in such a manner that work is done for it. Yet, as it travels this path and removes the distortions which separate it from understanding, there must needs be a sharing of this growing fruitfulness, else the path shall not be able to be continued. For this path, though traveled in solitude, is one which unites the seeker with all, and the reflection and manifestation of this unity then requires the seeker to go out into that world which is hungry and naked, sick and poor, to point out the direction to sustenance, clothing for the soul, and the support of Creator to Creator.

We shall now transfer this contact.

*(Carla channeling)*

In the world of the meditative journey, my friends, it is so entrancing that it is like some siren beckoning sailors from their course. It can be pursued endlessly, and all experiences are good. Never forget, my friends, the one thing that is missing in that kingdom beneath the waters of your illusion in the enchanted land where the illusion gives way to the first view of reality. That one thing, my friends, is the creation. To reach for it is to lose it. If you reach in solitude, to offer it to another is to manifest it, and in the world of manifestation does the enchantment become food and drink of the spirit.

May we thank you for having this opportunity to work through each of you. We leave you in the love and the light of our infinite Creator. I am Hatonn. Adonai, my friends. Adonai. ✨
