## THE LAW OF ONE, BOOK V, SESSION 9, FRAGMENT 4 JANUARY 27, 1981

**Jim:** None of us was ever greatly interested in previous incarnational experiences. Again, it's easy to lose the focus on the present moment's opportunities for growth if one becomes overly interested in one's lives before this one. The one query of this nature that we did ask of Ra elicited an answer that seemed to support our lack of interest in past lives.

*Carla: I do personally believe that we incarnate many times, and that we fashion, through these cycles of manifestation, complex and meaningful relationships that root deeply within our beings. When Don and I met, he has said he knew for certain that we would be together. Since what immediately thereafter ensued for me was a four-year marriage to a fellow who wished not to be married, I once braced him for not having told me this home truth right then in 1962, and saved me that difficult four years. "What? And have you miss all that good catalyst?" he said.*

*Both Donald and Jim had a loving and generous regard of me that is amazing unless one introduces the concept of previous connections. I have no doubt that we have served together before, in other lives and other times. An interesting bit of possible past history was expressed years ago to Jim in a psychic reading: it was suggested that in the American great plains frontier of the nineteenth century, Don and Jim were brothers living together as farmers. I was Jim's child, Don's nephew, and I lived only to the age of five, being sickly from birth. This was suggested as being preparation for their taking care of*

*me in this life, as I dealt with disability, limitation and especially psychic greeting during the time of the Ra contact. It rings true at some level with me. However, I also feel that we do not need to know anything of our past associations in order to learn and serve together at this present moment. We have all we need to meet the present moment. The rest is just details.*

### Session 9, January 27, 1981

**Questioner:** Is it possible for you to tell us anything about our past experiences, our past incarnations before this incarnation?

**Ra:** I am Ra. It is possible. However, such information as this is carefully guarded by your mind/body/spirit being totality so that your present space/time experiences will be undiluted.

Let us scan for harmless material for your beingness. I am, in the distortion of desire for your freedom from preconception, able to speak only generally. There have been several times when this group worked and dwelt together. The relationships varied. There is balanced karma, as you call it; each thus teacher of each. The work has involved healing, understanding the uses of the earth energy, and work in aid of civilizations which called just as your sphere has done and we have come. This ends the material which we consider harmless. ♁
