## SUNDAY MEDITATION

AUGUST 8, 1983

*(Unknown channeling)*

I greet you, my friends, in the love and in the light of our infinite Creator. To be with you is an exquisite pleasure and we thank you for requesting our presence. The opportunity to share our thoughts with you is the greatest opportunity for which we could ask.

We should like to offer philosophical thoughts and *(inaudible)* and we shall move from one channel to another with some frequency and therefore we suggest that if you have *(inaudible)* and challenged us mentally that you may dispense with the beginning and ending greetings until the end of this session.

Once upon a time there was a wooded *(inaudible)*, a beautiful leafy glade and within that small forest lived many creatures that you would call spirits of nature; others have called them fairies and elves. To them *(inaudible)* smallest *(inaudible)* was as a towering tree and the red clover was enough to make *(inaudible)*. We shall transfer.
